DETAILED ACTION

Allowable Subject Matter

1. Claims 1-18 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter: claim 1 recites, inter alia, *“a method for fabricating a semiconductor trench structure, the method comprising: filling the trench of the semiconductor substrate with a filler material; removing the filler material from an upper region of the trench as far as a boundary surface to define a collar region; depositing a liner on the collar region and the boundary surface; removing the liner from the boundary surface, thereby exposing the filler material; and removing the filler material from a lower region of the trench”*; and in the combination with other claimed features.

The prior art of record does not teach or render obvious to modify the art of record so as to include the above mentioned-limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
